

PORTABLE WIRELESS SPEAKER

PORTABLE. POWERFUL. WIRELESS.

The TDK Life on Record Portable Wireless Speaker with built-in A2DP supported Bluetooth® v2.1 wireless technology lets you stream high quality sound without the wires. Its full stereo audio produces rich, balanced sound with enhanced bass for a music experience you can hear and feel. The built-in microphone lets you take hands-free calls when your phone is connected to the speaker via Bluetooth, and the USB charging port powers your device when connected to AC power. With easy to use controls and super simplified device pairing, your music is just a beat away. In a world without wires, the TDK Life on Record Portable Wireless Speaker reigns supreme.
